

Anna Liss Jacobsen

Health Sciences Librarian

Professional Library Experience

Health Sciences Librarian, Assistant

IUPUI, August 2022-present

Indianapolis, Indiana

- Served as liaison to the Nursing, Medical Humanities and Music Therapy departments and programs. Engaged with stakeholders to support instruction, research, student learning outcomes and more
- Taught information literacy and other classes, provided orientations, research consultations and more
- Provided reference services in-person, via chat and email
- Updated libguides

Medicine and Research Services Librarian, Senior Assistant

University of Washington, June 2021-July 2022

Seattle, Washington

- Served as liaison to the University of Washington School of Medicine (UWSOM) in Seattle and across the Washington, Wyoming, Alaska, Montana, Idaho (WWAMI) region and beyond. Proactively engaged with learners, faculty, researchers, clinicians and staff via multiple modes to increase awareness and use of library resources and services to support their work
- Taught in-person and virtual information literacy and special topics classes and workshops to UWSOM undergraduate and graduate medical learners and graduate students in other departments
- Provided in-depth research consultations to learners, faculty and researchers on systematic reviews and evidence syntheses, scholarly communications topics and more
- Answered reference, research and circulation queries via email, LibAnswers and phone
- Provided resources and information that supported research projects, manuscripts and grants; development of curricula and assignments; tracking of scholarly metrics and more
- Co-authored scoping review (*in progress*)
- Created resources for UWSOM student orientation including brief asynchronous tutorial
- Collaborated on graduate student virtual orientation (Graduate Student Research Institute). Actively communicated with incoming health sciences students. Marketed and team-taught an orientation workshop
- Served as Core Faculty for Evidence and Resources for the UW School of Medicine Clinical Teaching Certificate program. Provided evidence-based primary literature supporting topics including learning climate, learning and retention, feedback and more. Collaborate on development of presentations and corresponding learning objects
- Served on Accessibility Working Group (AWG). Identified and communicated AWG activities and accomplishments to library and affiliates with team. Activities included creating survey, drafting libraries newsletter post and more

- Served on Health Sciences Library Web Services team. Wrote website news posts about scholarly communications and health equity topics
- Served on Pressbooks Working Group. Co-authored guidelines to support UWSOM faculty Pressbooks authors

Social Sciences Librarian, Assistant

Miami University, 2017-2021

Oxford, Ohio

- Served as liaison to Gerontology, Neuroscience, Psychology, Sociology, and Speech Pathology and Audiology departments. Outreach and engagement resulted in acquisition of DSM 5, Visible Body Human Anatomy Atlas, HaPI and more
- Provided information literacy instruction for classes and workshops on finding, evaluating and using information
- Taught APA citation and citation management tools (Zotero and EndNote) in classes and workshops
- Answered faculty, student and other reference and circulation queries in-person, email and chat
- Provided in-depth research consultations to faculty, students and researchers
- Developed systematic review and evidence synthesis consultation service. Provided consultations to faculty, researchers and graduate students. Created online guide and other informational resources for Miami University community. Taught classes and gave presentations. Co-authored reviews, collaborated on grants and more
- Developed, maintained and updated online guides relevant to social and health science departments
- Chaired Libraries' orientation program for new faculty
- Represented Miami University Libraries at Psychology department Open Houses
- Provided tours and demonstrations of library resources to executive leadership, potential donors, the community and more
- Head of Social Sciences Collection Development Committee, a team of ten librarians. Collaborated on decisions such as large-scale transdisciplinary acquisitions. Coordinated social and health sciences serials budget reallocation of \$60,000 in collaboration with Science Collection Development Committee
- Managed collections budget, acquisitions and weeding for my departments
- Coordinated donation of assessment tools in accordance with copyright restrictions
- Co-organized Ohio and Michigan Academic Library Associations' Assessment Interest Groups joint annual workshop
- Manager of libraries' Statistics Help Desk. Hired, scheduled and supervised student employees. Co-developed resource that tracked service usage. Under my supervision, service usage increased tenfold. Coordinated service transition from in-person to virtual service including face-to-face chat

Psychology Liaison Intern

Purdue University Libraries, 2009-2009

West Lafayette, Indiana

- Provided research, reference and technology assistance in-person, over chat and email

- Developed and taught information literacy workshops to students and staff related to the libraries' psychology resources. My creative outreach methods led to extra workshops for Psi Chi
- Developed online learning objects using Adobe Captivate teaching students and others to use APA PsycInfo and more. Screencasts integrated into organization's web portal

Other Experience

Psychology Instructor

Ivy Tech Community College, 2010-2017

Lafayette, Indiana

- Taught classroom and online psychology courses. Developed curricula, lectures, assessments and more
- Led classroom and online discussions analyzing complex problems with diverse students from around the world
- Mentored two psychology instructors

Reference Aide

Tippecanoe County Public Library, 2007-2012

Lafayette, Indiana

- Provided conscientious and courteous reference, reader's advisory and technology assistance to diverse customers in-person and over the phone
- Served on digital library committee showcasing history of Tippecanoe County. Scanned and proofread OCR documents
- Trained new employees
- Co-organized a well-attended program in which a local docent spoke about Frank Lloyd Wright
