LIBRARIAN PERFORMANCE

Interim Dean and Herbert Simon Family Dean of IUPUI University Library (April 2018-present)

Provide leadership and guidance of library operations, strategic direction and responsibility for the mission of the library, connecting people with resources and services and transforming the lives of community members by facilitating discovery, creativity, teaching, learning and research. The Dean is the public face of IUPUI University Library and oversees strategic advancement in the areas of services, instruction, technology, personnel, fundraising, and budgeting

Associate Dean of Digital Scholarship (July 2014– present)

Responsible for the Library’s digital scholarship program and Center for Digital Scholarship, including:

- Developing and implementing the library’s digital scholarship strategy.
- Encouraging and supporting the creation, digitization and preservation of scholarly, historical, and cultural content.
- Managing the campus’ institutional repository and other library tools for accessing digital content.
- Overseeing the library’s publishing program.
- Promoting open access as the preferred strategy for accessing content, including managing the library’s open access publishing fund.
- Developing the resources necessary to advancing the program including pursuing gifts and grants and on and off campus collaborations.
- Developing programs to support digital humanities, data management planning and sharing, federal public access policies, copyright and fair use, and digital impact metrics.
- Supervising the operations and staff of the Center for Digital Scholarship including direct supervision of 6 FTE faculty librarians at 100% and indirect supervision of 3 FTE staff at 100%, 5-7 PTE students.
- Supervising development of the library’s website and web presence.
- Coordinating with the Operations and Client Support Teams to assure that the technical infrastructure required for the digital scholarship programs is in place.
- Coordinating with the Special Collections and Herron Teams to assure consistent and efficient use of digital scholarship systems and services.
- Coordinating with the Bibliographic and Metadata Services Team to assure that appropriate metadata is created for digital collections.
- Coordinating the library’s digital scholarship programs with those of other libraries on the IUPUI campus and in the IU system.
- Representing the library on the campus, in the community, and nationally in the area of digital scholarship.
- Representing the library with the Office of the Vice Chancellor for Research, Graduate Affairs Committee, and the Council of Associate Deans for Research.

Responsible for the Library’s Operations Team (beginning January 2017), which participates in:

- Direct supervision of 1 FTE staff at 100% and indirect supervision of 6 FTE staff.

- Design, installation, security, integration, and management of the server environment, operating systems, and network and application infrastructures utilized by all areas of the library.
- Management of around 20 high end computing servers, interfaces with the campus computing infrastructure, and installs and supports a wide variety of both local and internet-based information technology applications.
- Providing design, security and software support infrastructures for the many models and makes of desktop, laptop, and mobile computing devices utilized by the patrons and staff of University Library.
- Deployment of library and information-based services that support all of Indiana University.
- evaluation, adoption and integration of library-based services and applications into the UL environment and infrastructure.

As a Member of Library Administration Team:

- With the Associate Dean for Collections and the Associate Dean for Instruction and Consultation Services oversees the library's liaison program including planning and program review, and the assessment of individual liaison librarian performance.
- Contributes to the overall management of the library.

History Subject Librarian (July 2003–2018)

American Studies Subject Librarian (2009-2018)

Women's Studies Subject Librarian (2009-2014)

- Understand the mission, goals, and objectives of the Liberal Arts Team and perform the work appropriate with the team to meet those goals and objectives.
- Communicate regularly with the faculty of the departments/programs supported and represent the library to these groups.
- Provide library instruction as requested to departments/programs supported.
- Develop library collections in support of the departments/programs. Includes the purchase and withdrawal/cancellation of monographs, serials, and electronic resources. Recommend appropriate reference titles and update the contents of research guide webpages.
- Assist students, faculty, and staff of the departments/programs through research consultation and acquisition of research and teaching materials as requested.
- Provide library research help desk and chat reference coverage as assigned.

Director for the Center for Digital Scholarship and Digital Scholarship Team Leader (2013 – July 2014)

- Directly supervise 3 FTE faculty librarians at 100%; Indirectly supervise 3 FTE at 100% and 5-7 PTE students.
- Coordinate implementation of digital library projects which include, but are not limited to, imaging projects, online exhibits, and electronic databases.
- Maintain regular public awareness of the Center for Digital Scholarship's services and educational offerings.
- Conduct outreach regarding change in scholarly communication, benefits of open access, and author's rights to IUPUI researchers, faculty, staff, students, and community.
- Lead Center in ongoing development and maintenance of the University Library's Information System/website.
- Communicate needs of the Library to Center staff and provide opportunities for the team to discuss library-wide issues and concerns.
- Disseminate information related to Center staff and its concerns to other library teams and Senior Management.
- Coordinate work flow between Center and Operations Team programmers.

- Facilitate and involve all Center staff members in planning, objectives setting, problem solving, and holding team members accountable for their participation and performance.

Digital Libraries Team Leader (Jan. 2010-2013)

Digital Libraries Team Member (Oct. 2007-Jan. 2010)

- Supervise and manage Digital Libraries Team Members, 4 FTE at 100%; 4 FTE at 50%; 2-5 PTE students.
- Approve Digital Libraries Team budget and grant applications prepared by Digital Libraries Manager.
- Lead team in ongoing development and maintenance of the University Library's Information System/website.
- Lead librarian for promoting, training, and maintaining content of the campus's institutional repository (IR), [IUPUI ScholarWorks](#), including the campus-wide electronic theses and dissertations program [open journal publishing](#) service.
- Conduct outreach regarding change in scholarly communication, benefits of open access, and author's rights to IUPUI researchers, faculty, staff, students, and community.
- Keep abreast of current cataloging rules related, but not limited to: Library of Congress policies and rule interpretations, IUCAT, OCLC systems and authority file policies, advances in library automation, AACR2/RDA and international standards relating to cataloging and metadata.
- Create and conduct of metadata records for Library's digital cultural heritage collections, institutional repository, and open journals.

Diversity Fellow Supervisor (2007-2008)

- Co-develop professional library experiences (with fellows) for two undergraduate Diversity Fellows.
- Train, supervise, and mentor Fellows through various research processes, library tools, and general professional inquiries including connecting a study abroad opportunity in Mexico with their Diversity Fellowship experience. Fellows cataloged a book collection, transported the collection to Mexico, and taught the community members how to maintain a local library.

Metadata Librarian (July 2003 – Oct. 2007)

- Support Bibliographic and Metadata Services Team Leader in establishing procedures and activities for providing quality, cost-effective bibliographic and authority records for monographic and serial materials, acquired by, or given electronic access to, IUPUI University Library, IUPUI Herron Art Library, and IUPUI-Columbus Library.
- Create original and complex copy catalog records for library materials, including monographs, audio visual material, and electronic resources.
- Resolve conflicts and discrepancies related to the description and subject analysis of materials received for cataloging.
- Train full-time and hourly team members.
- Manage and train graduate assistants and interns.
- Keep abreast of current cataloging rules related, but not limited to: Library of Congress policies and rule interpretations, IUCAT, OCLC systems and authority file policies, advances in library automation, AACR2/RDA and international standards relating to cataloging and metadata.
- Collaborate closely with the Digital Libraries Team in the development of digital library projects, specifically with regards to collection organization and metadata creation.
